

Welcome to GradeMaster! We appreciate your interest in our grading platform. GradeMaster is a growing company with a focus on Standards-Based Grading technology that is accessible online from anywhere! Better yet, there is no time consuming and pricey software to purchase, download and upgrade year after year. We aim to provide both educators and families with a comprehensive solution for both organizing and viewing the progress of each student.

Please [click here](#) to activate your account and enjoy your free 30-day trial. We want you to have a positive experience using GradeMaster, and are available to assist you with information and data imports, customized fields, and everything in between. [Please visit our Technical Support Site](#) with any questions and suggestions. Lastly, you may download a copy of the Quick Start Guide [here](#) to easily setup your account and get to work!

Again we want to thank you for your interest in GradeMaster! We are looking forward to working with you!
